

Novated Lease Vehicles

Salary packaging a Selectus Novated Lease vehicle can increase tax savings.

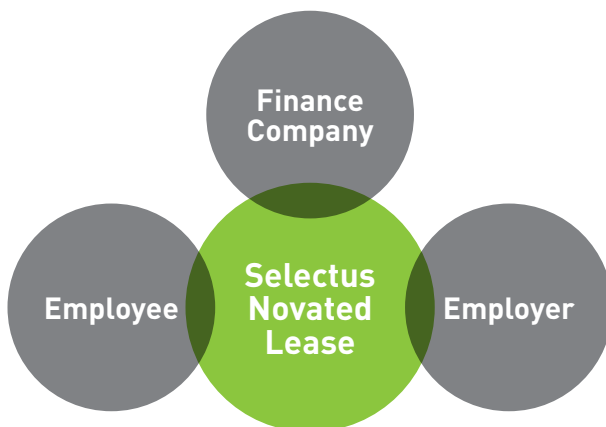

Benefits

Most of the operating and finance costs of a salary packaged vehicle are paid from your pre-tax earnings giving you a greater take home pay when compared to paying for your vehicle expenses from after tax dollars.

A post-tax deduction from your salary is calculated to offset the balance of operating costs which then eliminates any FBT liability or Reportable Fringe Benefits.

Selectus Novated Leases

A Selectus Novated Lease vehicle is yours to use as your own, but the underlying agreement to receive the benefits is between the three parties.

Operating Costs

With a Selectus Novated Lease you can package all of the operating costs to run your vehicle tax free.

Refer to Selectus website calculators:
www.selectus.com.au/calculator

Operating costs include:

- Service and Maintenance
- Registration
- Insurance Lease
- Fuel
- Lease Payments
- Tyres
- Management Fees

These costs are deducted from your pre-tax salary. Your taxable income is lower so you pay less tax. Fuel and running costs are based on the estimated number of kilometres you travel each FBT year.

Your budget can be adjusted at any time to reflect the number of kilometres you actually travel.

A salary packaged vehicle can be for your personal use only or a combination of personal and business use.

There is no limit to the number of vehicles that you can salary package – you can have additional Selectus Novated Lease vehicles for your spouse, partner or other family members.

Definition of motor vehicle for salary packaging

A “motor vehicle” includes new and second hand cars, station wagons, panel vans, utility trucks or similar vehicles designed to carry a load of less than one tonne, and any other road vehicle designed to carry a load of less than one tonne or fewer than nine passengers.

A motor bike is not considered a vehicle for the purpose of a novated lease.

Novated Lease Vehicles

Savings

Salary packaging a vehicle through a Selectus Novated Lease can provide you with some significant savings:

TAX Reduced – Take Home Pay Increased

Improve your Tax Free Cap benefit – pay for all vehicle operating and lease costs in pre-tax dollars

GST

No GST payable on purchase price of vehicle

The GST on all pre-tax finance and operating costs are usually refunded to you by your employer

Discounts

Where possible Selectus obtains any discounts available to reduce the purchase price

Discounts on fuel, servicing and tyres with a Wex Motorpass Card

More Benefits

Selecting a Vehicle

You choose type and model. New or secondhand (must be under nine years old at end of lease).

Driver Not Restricted to You

Can be driven by someone else. You can have more than one Selectus Novated Lease vehicle.

Extend Savings

Your Partner and/or family vehicles get the same savings. You can package your existing vehicle – sale and lease back.

Lease Terms

- You choose the term of the lease – it can be between one year minimum and five years.
- You also have the option of re-leasing for another term, providing the vehicle will be under nine years old at the end of the lease.

New car leased for 3 years	+	Re-lease for 2 years	+	Re-lease for 1 year	=	Vehicle six years old
