

Hydro Exterior Surface Protection

HYDRO
Paint Surface Coating.

selectus.com.au

HYDRO exterior surface coating is engineered for durability and protection, creating a barrier against UV damage and staining from the elements. This coating helps to retain a high gloss finish of your paintwork and contains self-cleaning properties, meaning your vehicle stays looking cleaner for longer, allowing you more time to do the things you love!

A once-off application, for a lifetime* of protection, to preserve and protect the paintwork, as well as the re-sale value of your vehicle.

Key Features

Made from a high performing formula combining Silicon Carbide (SiC) and Ceramic, delivering extreme durability, hardness and a permanent super gloss finish.

As the most durable protective product on the market, HYDRO Paint Surface Coating is 4 times harder than quartz based protectors. Tested, proven and globally certified to the stringent standards set out for Boeing compatible products.

Benefits

- The key components deliver extreme durability, hardness and a super gloss finish.
- Incredible repellence to water, sheeting and rolling off the surface taking with it dirt and grime and reducing calcified water marks and spotting.
- Significantly reduces maintenance, looking cleaner for longer.
- Protects your paint against the damage caused by bird and bat droppings, as well as damage caused by:
 - Weather Induced Oxidation
 - Bug Splatter
 - Water marks
 - Clear Coat Delamination (limited 6 year warranty for vehicles less than 12 months old at date of application).
 - Fading and Loss of Gloss
 - Bore Water
 - Rail Dust
 - Tree Sap
 - Sunscreen
 - Fallen Leaves
- The once-off application adds permanent protection, eliminating the need to wax and polish.
- Helps preserve your vehicle's re-sale value.
- Comes with a nationwide lifetime warranty*.

Extra Thickness. Enhanced Protection.

HYDRO adds an extra, tougher layer on top of the vehicle's factory clear coat.

Once applied, this permanent coating creates a hydrophobic surface so water sheets off, taking dirt and other contaminants with it.
