

Smart Recorder

Helps avoid collisions and promote safe driving

selectus.com.au

An essential dash cam that records every drive in full HD quality, including superior night-time vision and comes with an advanced power management system that checks your vehicle's battery voltage periodically, helping to save your vehicle's battery life.

Benefits

- Helps provide evidence in the event of an accident.
- Records both audio and visual footage.
- Records even while the car is parked.
- In any sudden accident, footage can be replayed immediately via the App.

Key Features

- Built in GPS and WiFi: GPS provides speed recording and tracks travel via Google Maps. WiFi allows for viewing a live feed, downloading footage and adjusting settings.
- 32 GB SD card^ allows for easy viewing of captured footage on a PC.
- Dedicated App (available via iOS and Android) for reviewing captured footage.
- Advanced power management system supplies the recorder with power even if the vehicle's ignition is turned off.
- Available as front or dual (front and rear) configuration.
- Professionally installed by a trained Technician.
- Comes with a 3 year nationwide warranty*.
